INSTRUCTIONS

1. Persons who have suffered a catastrophic loss to their property may appeal within the remainder of the County fiscal year or within six (6) months of the date the loss occurred, whichever is longer.

2. For assessment purposes, “catastrophic loss” is any loss due to mine subsidence, fire, flood or other natural disaster which affects the physical state of the property AND which exceeds 50% of the market value of the property prior to the loss.

3. Filing fees are waived for catastrophic loss appeals.

4. You must complete a separate form for each parcel appealed.

5. Please read all instructions carefully. Your appeal may be rejected if the form is not completed correctly.

6. The form must be completed in its entirety. Do not leave any blanks. If a question does not pertain to your appeal, please fill in “n/a”.

7. Your appeal must show a loss of at least 50% of market value to the structures.

8. All appeals must be signed and dated. Please include a telephone number where you may be reached.

9. Please include photos of the loss with your appeal.

10. If the taxes have been paid, please include a copy of the paid receipted tax bill. This will enable us to process any necessary refunds.

11. An assessment appeal does not halt the timely payment of real estate taxes as billed. An appeal does not excuse penalties after the discount and face periods have expired.

12. If the assessment is reduced on appeal AND the taxes have been paid, the difference will be refunded by the taxing bodies for the remainder of the fiscal year.
