Al Boyer, Supervisor from McIntyre Township commented on the EMS system and the failures in the rural area. He also suggested that the Commissioners review positions in the event the employee retires instead of replacing them right away. Lastly he feels that the comp plan will fail since it is being built from the top down instead of the bottom up.

Mr. Mussare talked about the value of the comp plan.

Mr. Mirabito added that the Commissioners need to make sure that the comp plan does not follow the desires of private investors.

Mr. Yingling explained the gap in coverage from Brown Township to Ralston.
