M	Pine Grove Landfill***

NTSWA (Northern Tier Solid Waste Authority)

***Costs obtained from a County bid in Northeastern PA as part of a disposal capacity solicitation in 2010. Because these facilities were non-responsive to our study information requests, these costs were used as the anticipated gate rates for MSW in the year 2011. White Pines Residual Waste Landfill currently only takes residual waste. This facility supplied a gate rate for MSW, which is reported on this exhibit
