

What to Recycle

Cardboard— Corrugated boxes and kraft paper bags. **NO** gift, cereal or tissue boxes

White high grade office paper — computer paper, copy paper, etc. **NO** windowed envelopes, ream wrappers, or carbon paper

Clear, Brown & Green Glass Bottles — separate by color and remove lids. **NO** window pane, light bulbs, mirrors or ceramics

Steel (food cans) and Aluminum (beverage cans) **NO** foil pie tins, aerosol cans or paint cans

Newspaper — must be dry. Inserts and advertisements are allowed.

How to Prepare Recyclables

1. All bottles, jars and cans must be emptied and rinsed.
2. Remove all bottle caps and lids.
3. Flatten cardboard
4. Separate materials. (i.e. clear glass from green, steel cans from aluminum)
5. Arrange to have recyclables delivered to a recycling facility.

A quarterly Recycling Report will be necessary for properties that do not have their recyclables delivered to Bloomsburg's Recycling Center. Weigh slips for all materials recycled during the quarter must accompany the report.

Buy Recycled

As consumers you can help out by buying supplies made with recycled content. Over 3,500 products are currently available with recycled content. Look at the PCC% on your paper products such as envelopes, copier paper, tablets and more. This number indicates the amount of post consumer content used when making the product, the higher the number the greater amount of recycled content.
