Close the Loop

Buy Recycled

There are lots of opportunities to buy recycled products. Look at the labels when you shop.

The PCCC% on paper products indicates the amount of recycled content used when making the product, the higher the number the greater the amount of recycled material used.

When making purchases look for :

Carpeting or mats

Tools

Fencing, lumber or benches

Notebooks, envelopes, calendars, greeting cards, paper towels, bath tissue, etc

with recycled content.
