## **PUBLIC NOTICE**

### **THE LYCOMING COUNTY PLANNING COMMISSION ANNOUNCES FOR PUBLIC REVIEW AND COMMENT**

#### **FFY 2017-2020 WILLIAMSPORT AREA TRANSPORTATION STUDY TRANSPORTATION IMPROVEMENT PROGRAM**

The Lycoming County Planning Commission is seeking public review and comment on the FFY 2017-2020 Williamsport Area Transportation Study, (WATS) Transportation Improvement Program.

As the federally designated metropolitan planning organization for Lycoming County, the Lycoming County Planning Commission works with the Pennsylvania Department of Transportation, River Valley Transit, (RVT) and STEP Inc. to develop the Transportation Improvement Program, (TIP). The TIP is a list of priority transportation projects that are proposed to be undertaken during the next four federal fiscal years using various federal, state and local funding sources. These transportation projects include a full range of highways, bridges, public transit, bicycle and pedestrian facilities. (Airport and rail projects are programmed and funded under a separate process but are closely coordinated through the Williamsport Area Transportation Study, (WATS) transportation planning program to ensure multi-modal transportation system connectivity.)

The draft FFY 2017-2020 TIP highway/bridge portion contains 76 projects within Lycoming County at an estimated program cost exceeding \$ 88 million. The FFY 2017-2020 TIP transit portion contains 14 projects with an estimated program cost exceeding \$ 46 million.

The draft FFY 2017-2020 TIP is now being made available for public review and comment. The 30 day federally required public comment period will commence on May 23, 2016 and conclude on June 24, 2016.

The Lycoming County Planning Commission is also seeking public comment on the WATS Public Participation Plan. The public comment period for the WATS Public Participation Plan will commence on May 23, 2016 and conclude on July 8, 2016.
