The County may waive minor informalities or irregularities in the proposals received where such is merely a matter of form and not substance, and the correction or waiver of which is not prejudicial to other Bidders. Minor irregularities

are defined as those that will not have an adverse effect on the County's interest and will not affect the price of the proposal by giving a Bidder an advantage of benefits not enjoyed by other Bidders.

To take exception to a provision of this RFP, the Bidder must clearly identify in the PROPOSAL EXCEPTION FORM: (a) the number and title of each section of this RFP that the Bidder takes exception to; (b) the specific sentence within such section that the Bidder takes exception to; and (c) any alternate provision proposed by the Bidder.

Bidders desiring to modify or withdraw his/her proposal, must submit the purpose for modification or withdrawal in writing to the County Chief Procurement Officer prior to the submittal deadline. Bidders may resubmit proposals provided it is prior to the scheduled submittal deadline.

After proposal opening, the Chief Procurement Officer may allow a Bidder to modify or withdraw its proposal without prejudice if clear and convincing evidence supports the existence of a material and substantial error, an unintentional arithmetical error or an unintentional omission of a substantial quantity of work, labor, material, or services made directly in the compilation of the proposal. Requests to modify or withdraw the proposal must be made in writing to the Chief Procurement Officer within two (2) business days after opening the proposals.

2.13 Evaluation of Proposals. Proposals will be evaluated in accordance with the required scope of work as listed in this RFP. At the County's discretion, a proposal may be eliminated from consideration for failure to comply with any required specification, depending on the nature and extent of non-compliance. In addition to meeting mandated specifications, proposals will be evaluated for the ability of the Bidder to provide, in the County's opinion, the best overall solution to meet the County's objectives.

2.14 Rejection or Disqualification of Proposals. A proposal that is incomplete, obscure, conditioned or contains additions not called for or irregularities of any kind, (including alterations or erasures), which are not initialed, may be rejected as non-conforming.

The County reserves the right to waive a proposal's minor irregularities if rectified by Bidder within three (3) business days of the County's issuance of a written notice of such irregularities.

The County reserves the right to disqualify proposals, before or after opening, upon evidence of collusion with intent to defraud or other illegal practices upon the part of the Bidder.

Issuance of this RFP in no way constitutes a commitment by the County to award a contract. The County reserves the right to accept or reject, in whole or part, all proposals submitted and/or cancel this solicitation if it is determined to be in the best interest of the County.

Any Bidder who has demonstrated poor performance during a current or previous Agreement with the County may be considered a non-responsible Bidder and his/her proposal may be rejected. The County reserves the right to exercise this option as is deemed proper and/or necessary.

The Lycoming County Board of Commissioners reserve the right to accept or reject any or all proposals, or to accept any part of a proposal without accepting the whole thereof, or to accept such proposal as they deem to be in the best interest of the County.

2.15 Award of Proposal. Award of any proposal is contingent upon available budget funds and approval of the Lycoming County Board of Commissioners.

The County will award the contract(s) to the best responsible, responsive Bidder who meets all terms, conditions, and specifications of the RFP, within 60 days of the opening of the proposals. Submitted proposals shall remain valid during this 60 day period.

The County reserves the right, in its sole and absolute discretion, to accept or reject any and all proposals or parts thereof, or to accept such proposal as they deem to be in the best interest of the County.

An official letter of acceptance will be forwarded by the County to the successful Bidder after proposal selection and prior to contract award.

SECTION 3
GENERAL TERMS
AND
CONDITIONS

3.1 Bidder's Certification. By submitting a proposal, the contractor is certifying that it and its Principals and/or subcontractors are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by the State of Pennsylvania or any Federal department or agency.

3.2 Use of Proposal Forms. Any and all documents required by the RFP that require a notarization must include the signature and seal of the notary public as required by the state in which the notary is commissioned. For those states that do not require an embossed notary seal, a Notarization Affidavit must be completed and submitted with the proposal. Proposals and required documentation submitted without the embossed seal and without the Notarization Affidavit, as applicable, may be rejected at the time of proposal opening.

For each line item offered, Bidders shall show both the unit price and extended price. In case of a discrepancy between the unit price and extended price, the unit price will be presumed to be correct and the extended price shall be corrected accordingly.

3.3 Non-Collusion Affidavit. The County requires that a Non-collusion Affidavit be submitted with all proposals pursuant to its authority according to the Pennsylvania Antibid-Rigging Act, 62 Pa. C.S.A. §4501 et seq.

This Non-Collusion Affidavit must be executed by the member, officer, or employee of the Bidder who makes the final decision on prices and the amount quoted in the proposal.

Bid rigging and other efforts to restrain competition and the making of false sworn statements in connection with the submission of proposals are unlawful and may be subject to criminal prosecution. The person who signs the Affidavit should examine it carefully before signing and assure himself or herself that each statement is true and accurate, making diligent inquiry, as necessary, of all other persons employed by or associated with the Bidder with responsibilities for the preparation, approval or submission of the proposal.

If a proposal is submitted by a joint venture, each party to the venture must be identified in the proposal documents, and a Non-Collusion Affidavit must be submitted separately on behalf of each party.

The term "complementary bid" as used in the Affidavit has meaning commonly associated with that term in the bidding process, and includes the knowing submission of proposals higher than the proposal of another firm, any intentionally high or non-competitive proposal, and any form of proposal submitted for the purpose of giving a false appearance of competition.

Failure to file a Non-Collusion Affidavit in compliance with these instructions may result in disqualification of the proposal.

SECTION 4

AND
CONDITIONS

- 4.1 Agreement/Contract.** Upon acceptance and award of a Bidder's proposal, the contract between the Bidder and the County shall be drafted from (a) the RFP and addenda, (b) the selected proposal (response to the RFP by the Bidder) and any attachments thereto, and (c) all written communications between the County and the Bidder concerning the transactions. The contract shall constitute the entire and only agreement and shall supersede all prior negotiations, commitments, understandings, or agreements, whether oral or written.
- 4.2 Execution of Contract.** The successful Bidder must execute a written contract with the County. If the successful Bidder fails or refuses to execute the formal contract within ten (10) days of the date of contract award, award of the contract shall be voided, and all obligations of the County in connection herewith shall be canceled.

- 4.5 Option to Extend Contract Period.** The contract may be extended up to three (3) months at the bid pricing, provided mutual agreement by both parties in written form. This extension will be utilized only to prevent a lapse of contract coverage and only for the time necessary to issue and award a new Invitation to Bid, but not to exceed three (3) months.
- 4.6 Option to Renew Contract.** This contract may be renewed for either a one, two, or three year term at the bid pricing by mutual agreement of both parties in written form.

If the proposal includes price increases over the term of the contract, such increases must be clearly indicated in the Proposal Price Schedule. All proposal prices must include freight.
- 4.8 Subcontracting.** The Contractor shall not subcontract any of its obligations under this contract without the County's prior written consent. In the event the County does consent in writing to a subcontracting arrangement, the Contractor shall be the prime contractor and shall remain fully responsible for performance of all obligations which it is required to perform under this contract.
- 4.9 Payment.** The County will make payment within thirty (30) days of receipt invoice for properly received goods and services after inspection and acceptance of the material and/or work by the County. If the Bidder's method of billing and payment is different than what is stated above, the Bidder must indicate the preferred method. The County will consider paying on a periodic basis as substantial portions of the work as performed, but not more than one time per month.

NON-COLLUSION AFFIDAVIT

INSTRUCTIONS FOR NON-COLLUSION AFFIDAVIT

This Non-Collusion Affidavit is material to any contract awarded pursuant to this proposal. According to the Pennsylvania Antibid-Rigging Act, [62 Pa.C.S.A. § 4501, et seq](#), government agencies may require Non-Collusion Affidavits to be submitted together with proposals.

This Non-Collusion Affidavit must be executed by the member, officer or employee of the Bidder who makes the final decision on prices and the amount quoted in the proposal.

Bid rigging and other efforts to restrain competition and the making of false sworn statements in connection with the submission of proposals are unlawful and may be subject to criminal prosecution. The person who signs the affidavit should examine it carefully before signing and assure himself or herself that each statement is true and accurate, making diligent inquiry, as necessary, of all other persons employed by or associated with the Bidder with responsibilities for the preparation, approval or submission of the proposal.

In the case of a proposal submitted by a joint venture, each party to the venture must be identified in the proposal documents, and an Affidavit must be submitted separately in behalf of each party.

The term “complementary bid” as used in the Affidavit has the meaning commonly associated with that term in the bidding process, and includes the knowing submission of proposals higher than the proposal of another firm, and intentionally high or noncompetitive proposal, and any other form of proposal submitted for the purpose of giving a false appearance of competition.

Failure to file an Affidavit in compliance with these instructions will result in disqualification of the proposal.

A statement in this affidavit that a person has been convicted or found liable for any act, prohibited by State or Federal Law in any jurisdiction, involving conspiracy or collusion with respect to proposing on any public contract within the last three years, does not prohibit the County of Lycoming from accepting a proposal form or awarding a contract to that person, but may be grounds for administrative suspension or debarment in the discretion of the County under its rules and regulations, or may be grounds for consideration on the question of whether the County should decline to award a contract to that person on the basis of lack of responsibility.
