#### **5.0 GENERAL PUBLIC COMMENT**

Speakers who wish to address the Board of Commissioners will be limited for no more than three (3) minutes on any particular item. The speaker must state his/her name and address for the record. Any deviation from this rule must be approved by the Board Chairman.

#### **Larry Stout, Webb Weekly, Clinton Township**

Opened with a shortened version of story/skit [A FROG, A BANK AND A LOAN](#). He remarked he has been covering the Lycoming County Commissioners Meetings for 6 years and to his surprise he quickly realized the important work the Commissioners do for the county. He feels the public should know about it. One of biggest problems is that people don't appreciate what all you do, but are the first to call to complain when something doesn't work. Lastly, he presented the first Webb Weekly County Hall Corner Service Award to the Commissioners and former Commissioner McKernan (see attached).

#### **YouTube Live Public Comment(s):**

**T** Thomas Adams I am alerting everyone to get involved in our governance. FYI; the push for the public-private partnerships are not what they seem. These are part of The Great Reset being pushed by the global elites.

**T** Thomas Adams Anything to do with ESG scores for loans and business activities are a backdoor way for government to totally control all commerce, public and private! These are tied to Blackrock Financial and must

T

Thomas Adams be outlawed at all levels of government! Call our state, local and federal officials to stand against this evil against

T

Thomas Adams wickedness against Liberty, Justice and Righteousness! Thank-you, Tom Adams, Williamsport.

T

Thomas Adams Blackrock Financial also has its' army of propagandists working hard to sway elections and elected officials to foist this upon America! They also go by other names that are under their umbrella.
