All,

I am requesting a vote by email, unless a majority feels we need to meet in person to discuss. George has requested a disability retirement from the county. We have acceptable documentation, per Mr. Kenyon, from the VA showing his disability.

I need a vote to approve this action.

Please advise.

I do not believe it is necessary to hold a meeting.

I would vote yes, but, as Commissioner Mussare asked, what are implications of the disability pension requested?

Thanks
