

## Contract for Life

It is understood and agreed that having a driver's license and driving a car are privileges. Any privilege has to be earned and it must be earned on a continuing basis. This means that driving privileges may be revoked due to an infraction of the following rules:

1. Breaking the driving laws or abusing a motor vehicle can result in the loss of driving privileges, even if we learn about it from a source other than the police. You never know who may be observing you.
2. You will strive to maintain your grades and conduct an attitude at the same high level as when we first granted your driving privileges.
3. No one else should be allowed to drive a vehicle entrusted to you. This means you may not lend your vehicle to friends.
4. If you are ever in a condition that might render you less than 100% competent behind the wheel of a car, phone us. We will come and get you. This will not result in the loss of your driving privileges.
5. You are never to be a passenger in a car in which the driver should not be driving. A call to come get you will not result in the loss of driving privileges. If you cannot reach us, call a taxi and we will pay for it and there will be no punishment.
6. You are only allowed to have \_\_\_\_\_ passenger(s) in the car with you at a time. The passenger must sit in the front seat. You need to concentrate on your driving not splitting your attention to different conversations.
7. No eating or drinking or talking on the cell phone while driving the vehicle. Once again you must concentrate on your driving.
8. Violation of any of these rules will result in loss of your license and sale of the vehicle!!!
