

LYCOMING COUNTY INDIVIDUAL ASSISTANCE SUMMARY FORM

MUNICIPALITY _____

DATE _____

Place a mark for each unit, and a diagonal line for every 5th unit. When assessing multi-family dwellings, and businesses co-located within one structure, make a mark for each individual unit within the appropriate category of damage. Where a dwelling or business is not damaged, but is significantly affected by the event (no access, loss of potable water, anticipated long-term utility outage, etc.), place the mark for that unit in the affected row.
