# Lycoming County Community Development Block Grant Workshop

Are you considering improving your parks, roads, infrastructure, community facilities, or starting a new public service?

This workshop will cover everything you need to know on how to apply for CDBG funding and give you an opportunity to discuss your project with County and SEDA-COG CD staff. Topics to be covered:

- CDBG Program Overview
- Eligible
- Community Survey Process
- Project Budget Development
- Service Area Determination
- Project
- Funding Requirements
- Selection
- Federal
- Application Process & Schedule

## Who Should Attend?

Representatives from municipalities, authorities, nonprofits, and other community service organizations. Members of the public are invited to attend this workshop to discuss project ideas. Though not required, it may be valuable to have your engineer or architect attend this workshop. Attendance is not mandatory; however, this workshop will enhance the quality of your project proposal, thereby increasing your likelihood of a timely and successful application.
