QUESTIONS RECEIVED FROM POTENTIAL PROPOSERS

Question		Response
21	The forms that are in your required attachments for the proposal, B-10 and B-13, seem to be a bit redundant. Are both forms needed?	Yes, both forms are required. Form B-10 includes Applicability and relevance of referenced project, Description of Proposer’s scope of responsibility, Major accomplishments, and Other technical information to demonstrate relevance to proposed project/ approach. Form B-13 contains contact information for References.
22	Please also confirm the owner will be providing the pump system for	Yes, owner will be providing the pump system for water to be transferred to the tank. Contractor would need to provide any piping system from the existing

	water to be transferred to the tank area as discussed on site.	test water pipe to the proposed work area(s) for testing requirements.
23	Are Performance and Payment Bonds required with the submission?	<p>Form B-3 Certification of Bonding Ability references performance bond. This Form is required to be submitted with the proposal.</p> <p>When Design-Builder delivers the executed Agreements to Owner, Design-Builder shall also deliver to Owner such executed bonds as Design-Builder may be required to furnish.</p>
