**Lycoming County Resource Management Services**  
**Credit and Check Policy**  
**As of March 1, 2014**

1. Statements are sent out on a monthly basis on or about the first of the month for the preceding month's business.
2. Payment of the total amount billed must be received at LCRMS' s business office located at the Lycoming County Landfill, 447 Alexander Drive, PO Box 187, Montgomery, PA, by the 25<sup>th</sup> of the month.
3. If the total amount billed is received by LCRMS by the 10<sup>th</sup> of the month, a 0.5% early payment discount is given to those accounts which are current, and have been established as a Commercial Business Account, or as an Industrial Generator Account, on those wastes disposed directly at the Lycoming County Landfill. This discount pertains only to that portion of the bill which is assessed for disposal fees. The discount will not be allowed on amounts billed for the Act 101 portions of the transactions. No discount will be issued for less than \$5 per month.
4. For accounts established as a Certified Waste Hauler, or a Commercial Hauling Enterprise, a volume discount for Municipal Solid Waste, MSW, disposed at the Lycoming County Landfill and/or the Lycoming County Transfer Station, and for Construction/Demolition waste disposed at the Lycoming County Landfill, is given as listed below if the account is current and payment is received at LCRMS' s business office by the 10<sup>th</sup> of the month for the total amount owed. Discounts are not allowed on overdue accounts. This discount pertains only to that portion of the bill which is assessed for disposal fees. The discount will not be allowed on amounts billed for the Act 101 portions of the transactions. No discount will be issued for less than \$5 per month.

<b>MONTHLY TONS RECEIVED OF MSW AT THE LYCOMING COUNTY LANDFILL</b>	<b>PERCENT DISCOUNT ALLOWED</b>
Up to 120 tons per month	5.5%
>120 up to 190 tons per month	6.5%
>190 up to 265 tons per month	7.5%
>265 up to 340 tons per month	9%
>340 tons per month	15%

5. All accounts are subject to a 1.5% late charge fee for non-payment or payment received after the 25<sup>th</sup> of the current billing cycle. This late fee continues to be assessed monthly until payment is received in full.

6. Accounts will be placed on "Cash Only" basis if payment is not received by the last full business day of the month; (Monday through Friday) by 4:30 p.m. Eastern Standard Time.
7. Once an account becomes "Cash Only", service termination occurs if payment in full of all amounts owed, including late fees, is not received at the business office, located at the Lycoming County Landfill, 447 Alexander Drive, PO Box 187, Montgomery, PA by the last day of the month in which the account became "Cash Only". LCRMS facilities will not accept waste for disposal, upon service termination.
8. If legal action is required to obtain overdue payment, all costs, including late fees, reasonable attorney's fees, and court costs, will be added to the customer's bill.
9. The County may, in its sole discretion, offer terms for a payment plan for those accounts on "Cash Only" through a Promissory Note. The Promissory Note will require a pledge of collateral acceptable to the County, which pledge shall be determined at the sole discretion of the County, on a case-by-case basis. Account status may be reconsidered after six months of paying the account in full, pending a successful credit investigation.
10. Credit privileges may be denied if account becomes "Cash Only" three times within a twelve month period.
11. Billing discrepancies shall be reported in writing within 30 days of receipt of bill, to the Accounts Receivable Clerk, to initiate an inquiry.
12. If any check is returned from the bank for Insufficient Funds, a \$20.00 service charge per check will be added to the costs, all discounts will be forfeited, and any late fees or penalties that would have been assessed, will be added. Customer will also be required to pay cash for services until payment has been received for the NSF check amount, the service charge amount, the discounts forfeited, and any late fees or penalties that would have applied. The customer must pay the costs with CASH OR CERTIFIED CHECK at the Business Office located at the Lycoming County Landfill at 447 Alexander Drive, PO Box 187, Montgomery, PA. Failure to pay the amount in full plus costs listed herein above will result in legal proceeding, both civil and criminal. If two or more checks are returned for insufficient funds within a six-month period, checks will not be accepted and customer is required to pay with cash or certified check.
13. In the event the County takes legal action to recover an amount due for any NSF check(s), regardless of whether the account is on a "Credit" or "Cash Only" basis, the County shall be entitled to collect its reasonable attorney's fees and costs associated with collection.

The undersigned represents and warrants that the terms of this credit and check policy are agreed to, that this policy is accepted with full knowledge of its contents and that this document is signed with full authority to obligate the signer as well as the named company.

**DEFINITIONS:**

**Certified Waste Hauler** - A business enterprise trading in the solid waste industry, utilizing commercial grade solid waste industry vehicles (which includes one or more of the following: Packer, Roll-off Vehicle, Truck Tractor/Combinations) in the performance of their service for at least 75% of disposal transactions on a monthly basis, are subject to the PaDEP's rules and regulations, and conform to PA Code, Title 25, Chapter 285 – Storage, Collection, and Transportation Regulations, for collection and transportation of solid waste. Certified Waste Haulers are also required to carry automobile liability insurance with a combined single limit of \$1,000,000. Hauler agrees to allow placement of a vehicle identifying sticker on each vehicle at a location easily viewable by weighmasters and chosen by RMS personnel.

**Commercial Hauling Enterprise** – A business enterprise, trading in the solid waste industry utilizing vehicles capable of mechanically dumping or discharging the waste from the vehicle (which includes dump trucks but excludes dumping trailers regardless of the vehicle they are attached to), in the performance of their service for at least 50% of disposal transactions on a monthly basis. These business enterprises are subject to the PaDEP's rules and regulations for collection and transportation of solid waste, and utilize LCRMS facilities at least three times per week and dispose at least 1,000 pounds, (.5 tons) of waste per transaction on average. Commercial Hauling Enterprises are also required to carry automobile liability insurance with a combined single limit of \$1,000,000. Hauler agrees to allow placement of a vehicle identifying sticker on each vehicle at a location easily viewable by weighmasters and chosen by RMS personnel.

**Commercial Business Accounts** - Commercial enterprises, or non-profit enterprises including municipalities, schools, hospitals, and government agencies, that do not trade for profit in the solid waste industry, do not generate or dispose of industrial residual wastes. Commercial Business Accounts are required to carry automobile liability insurance with a combined single limit of \$1,000,000 if they own vehicles that may be used in transportation for disposal at LCRMS facilities. Otherwise, must show proof of required insurance for each hauler this account utilizes for disposal transportation. If customer is hauler they agree to allow placement of a vehicle identifying sticker on each vehicle at a location easily viewable by weighmasters and chosen by RMS personnel.

**Industrial Generator Accounts** – A person generating and disposing approved waste through LCRMS's Form R, Waste Acceptance Plan. Industrial Generator Accounts delivering approved waste in their own vehicles are required to carry automobile liability insurance with a combined single limit of \$1,000,000 if they own vehicles that may be used in transportation for disposal at LCRMS facilities. Otherwise, must show proof of required insurance for each hauler this account utilizes for disposal transportation. If customer is hauler they agree to allow placement of a vehicle identifying sticker on each vehicle at a location easily viewable by weighmasters and chosen by RMS personnel.

**Individual Accounts** - Persons requesting an account who do not meet any of the above account types and/or do not qualify due to lack of insurance and/or lack of defined equipment or utilization of equipment, and who utilize LCRMS facilities at least once per week and dispose at least 700 pounds, (.35 tons), of waste per transaction on average. If customer is hauler they agree to allow placement of a vehicle identifying sticker on each vehicle at a location easily

viewable by weighmasters and chosen by RMS personnel.

**Cash Customers** - Persons who utilize LCRMS facilities on an infrequent basis and are not normally given an account. Customers may be given an account under this account type for approved, reasonable business related purposes.

**White Goods** – Appliances and other salvageable materials including, washing machines, dryers, refrigerators, freezers, air conditioners, dehumidifiers, dishwashers, hot water heaters, stoves, sheet iron, tin, and steel auto parts.

**Cleanup Costs** – Fees charged to customers for removal of waste dumped in improper disposal area, and for reloading and/or cleanup of wastes rejected for disposal. Fees may include personnel costs, testing fees, and any special handling fees associated with the load in question.

**Asbestos** – Wastes contaminated with or containing asbestos, as defined by PA DEP.

**Industrial Residual Waste** – Those wastes meeting the permit conditions as approved in LCRMS's Form R section of the operating permit, and have been pre-approved for disposal at LCRMS. Wastes are subject to PA DEP regulations.

**Clean Wood Waste** – Acceptable clean wood includes, unpainted wood, (stained wood and wood with glue is acceptable), brush, limbs not exceeding 10" in diameter, pallets, skids, compressed wood fiber pallets, utility spools with hardware removed, plywood and waferboard. Clean wood may not contain non-wood items, any treated wood, plasterboard, creosote products, demolition waste, masonite, or painted wood.

**Construction Demolition Waste** - Solid waste resulting from the construction or demolition of buildings and other structures including, wood, plaster, roofing shingles, metals, asphalt substances, bricks, blocks, concrete, cardboard, styrofoam, insulation, plastic, empty buckets: (tar, paint, plaster), fire debris from structures only (excluding contents).

**Holidays:** The Lycoming County Resource Management Services facilities will be closed on the following listed Holidays:

*New Year's Day*, Tuesday, (January 1, 2019)

*Memorial Day*, Monday, (May 27, 2019)

*Independence Day*, Thursday, (July 4, 2019)

*Labor Day*, Monday, (September 2, 2019)

*Thanksgiving Day*, Thursday, (November 28, 2019)
