A Stay at Serene View Farm Bed and Breakfast means:

- you will experience a home away from home. A stay with us is not an intrusion on our home or life, as our living areas are separate. You should be as comfortable as you would be in your own home.
- special attention is paid to our guests. We are available to assure that you will have a great experience in the country.
- privacy, no noisy "across the hall neighbors", or downtown street noises.
- rooms decorated to please the eye and to make the guests most comfortable.
- that you are catered to, you are not just spending the night, you are having a great relaxing experience.
- a breakfast cooked and served with love.
- a possible opportunity to meet other folks from all over the world and to share in their experiences.
- a safe environment, easy parking and accessibility, no parking fees.
- your hosts will inform you about local happenings and the best local restaurants as well as filling you in on the history of the area.
- two of the best innkeepers;
friendly, fun, and interesting.

So...are you looking for a serene, lovely location in which to relax and get away from the stress or boredom of daily life? A day or two in the country will make you realize that this is what you have needed.

Serene View Farm, owned by Maggie and Larry Emery is located just a short 20 minute drive from Interstate 180 north of Montoursville, in the village of Proctor. This village is noted for its former lumbering and tannery industry. Several homes and a country store still exist from that late 1800's era.

Here at Serene View Farm, we have tried to keep the ambiance of that time period. The grounds and gardens are landscaped and the surrounding fields, woods, streams and wildlife are waiting for you to discover nature all over again.

Our furnishings are comfortable and delightful to the eye; fresh flowers in each room and are decorated with you in mind. The three bedrooms have private bathrooms and air conditioning. The parlor and family room features a window seat, reading areas and TV. The wraparound porch beckons your enjoyment on a cool summer night. The screened gazebo is a perfect spot to view the many birds and deer browsing the fields.

We are within 2 miles of the Loyalsock Creek, which offers some of the best fly fishing spots in the state. Adjoining our 128 acres, the Tiadaghton Forest provides many hiking and snowmobiling trails as well as beautiful fall foliage.

We offer home baked desserts, free hot and cold beverages and a delicious, healthy breakfast, served in the conservatory, with interesting and beautiful table settings.

Your innkeepers work hard at providing our guests with a restful and enjoyable stay.

Information about rates and availability are on our website at www.sereneviewfarm.com or we can be reached at 478-2477.
