

Lycoming County Board of Elections

Official Results of the May 20, 2025 Municipal Primary Write-in Nominees

All write-in votes not cast for a write-in nominee or tie vote candidate are scattered write-in votes that did not affect the outcome of any contest.

In order to be nominated by write-in votes in a primary, a candidate must receive at least as many write-in votes as the number of signatures that would be required on a *Nomination Petition*.

Write-in nominees will be notified by mail and have until Friday, June 27 to file the required documents to accept the nomination.
